Dear Karla,

Please Read for information and identify issues by 9/30 for the Parcel F Demonstration of Activated Carbon Amendments – Summary of Field Activities Technical Memorandum. Since the Navy didn't send it to you directly, I'll try to load it onto the share drive today (40 MB) and ask the Navy to send you hard copy.

Please do a cursory review by 9/7/2016 of the draft final Parcel F Hunters draft final Rad Addendum to FS, with RTCs in Appendix B. That is attached to this email.

Thanks

Lily Lee
